GRACE NEWS

Congratulations to Jesse and Mallory Demmer on the arrival of their daughter, Paige Elizabeth, on June 27. Paige is welcomed by her grandparents Mark and Dawn Demmer, Uncle Riley, Aunt Hannah, and Uncle Jacob and Aunt Chelsea Alsum.

We Need Your Help! We are looking for two or three couples who would be willing to serve as alternates in preparing the communion service trays.

- Our communion services are on the first Sunday of every month.
- The time commitment would be no more than thirty minutes for one service, and only on an occasional basis.
- You would be trained and given advanced notice of when you are needed.

If you are able to help, please call David Bright at 354-1162 or the church office at 354-4321.

Dear Church Family,
Thank you for your prayers and visits during John's recent illness. He is making excellent progress.

John and MaryAlice Bonwell

Thank You for the many cards and expressions of sympathy given to us in the passing of Dave's sister. It is a comfort knowing people care.

Lies you may hear this week.

- There's no need to worry about the tongue; it's _____.

- There's no need to worry about the tongue; it's _____.

- There's no need to worry about the tongue; it's _____.

The Truth about Underestimating the Danger of Our Tongues

If we put bits into the mouths of horses so that they obey us, we guide their whole bodies as well. Look at the ships also: though they are so large and are driven by strong winds, they are guided by a very small rudder wherever the will of the pilot directs. So also the tongue is a small member, yet it boasts of great things. How great a forest is set ablaze by such a small fire! And the tongue is a fire, a world of unrighteousness. The tongue is set among our members, staining the whole body, setting on fire the entire course of life, and set on fire by hell.

James 3:3-6 ESV

1. Never underestimate the danger of the tongue because it is _____.
2. Never underestimate the danger of the tongue's potential for _____.
3. Never underestimate the danger of the tongue's source of _____.
