Praise Items

- Praise for the successful discipleship course during July and August where more than 25 youth from different churches attended. Our goal was to help them reformat their characters and help them grow spiritually to be more effective in their ministries.
- I was touched when I served one Sunday evening with more than 350 Syrian Muslim refugees believing in Jesus Christ, worshiping and praising with all their hearts. I found them so hungry for the Bible. The Holy Spirit is working powerfully and thousands are accepting Jesus Christ as their Savior. What a blessed thing to witness!

Prayer Items:

- Pray for us as a family.
- Pray for Egypt's economic situation which is unstable and getting worse. Prices are increasing and the people are suffering from poverty and lack of jobs. The persecution of Christians is not getting better.
- Pray for the Sunday School curriculum that is being used in 100s of churches all over Egypt and the Arab area. Pray for the training of our Sunday School teachers.
- Pray that God will fulfill all the ministry needs.
- Thank you for always praying for us and supporting us with your love.
